1. Govt. Memo.No.2772/Reforms/A2/2015-1, Dt.30.09.2015 of Water Resources (Reforms) Dept.
2. G.O.Ms.No.108, Water Resources Department (Reforms) Department Dt.25.09.2018.
3. From the Chief Engineer, Krishna Delta System, Vijyawada Letter No. CE/KDS/VJA/OT-3/AE 10/F-IW/ Dt:-01-9-2023.

****

O R D E R:

In the G.O. 2nd read above, the Government had accorded permission for drawl of 7000 KL per day or 0.0902 TMC per annum of water from Krishna River for a period of 5 years to M/s KCP Limited, Cement Production Unit-II, Mukthyala Village, Jaggaiahpet Mandal, NTR District, which was expired on 23.11.2023

2. In the letter 3rd read above, the Chief Engineer, Krishna Delta System Vijayawada has recommended the proposal to Government to issue necessary orders for according renewal permission to M/s KCP Limited, Cement Production Unit-II, Mukthyala village, Jaggaiahpet Mandal, NTR District for drawl of 7000Kl/day or 0.0902 TMC water per Annum from Krishna River Mukthyala Village for Industrial purpose for a further period of 05 years from the date of expiry i.e. with effect from **24-11-2023 to 23-11-2028,** subject to the following terms and conditions:

1. The concurrence of the District Collector, NTR for the proposals has to be obtained before drawing the water and take up the work.
2. The water can be spared only subject to availability of water in the Krishna River.
3. The entire cost of construction of intake well, pump house, pipelines, excavation etc., should be borne by the industry only.
4. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and should be made available to the Departmental Authorities and the representatives of the user shall be present at all times of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
5. The industry should pay the water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty the permissions to draw water shall stands cancelled.
6. The industry shall obtain the prior concurrence from concerned Departments for laying pipelines and for crossing etc. wherever and whenever necessary.

Contd.P2

7. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease should be paid as fixed by Government only.
8. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in their natural sources. Necessary clearance from the A.P Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
9. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
10. The Water Resources Department is no way responsible for non- supply of water due to any reasons.
11. The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize Government land for installation of pump house, necessary permissions are to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the industry.
12. The industry must strengthen the river margin 100mts. from the toe to the River Flood Bank.
13. The industry has to lay CC (1:4:8) before laying the pipeline and CC (1:2:4) over the Pipeline refill the pipeline with proper soils and consolidate the banks as directed by the Department.
14. The industry has to construct CC walls to avoid leakage at pipeline crossing.
15. The water drawn from the Krishna River should be utilized for the purpose for which the permission is granted. Any misuse on this account shall be susceptible for cancellation of the permission without any notice and liable for imposition of penalty.
16. The industry should follow the Revenue Board Standing Orders.
17. The industry shall pay security deposit at 5% on 5 years water charges for which permission is granted.
18. The industry shall pay one-year water charges as advance and any amount due to the Department before entering into agreement.
19. The industry has to conclude agreement with the officers concerned of Water Resources Department.
20. The industry shall abide by R.C Act.-1884 and any other condition laid down by the Government/ Department from time to time.
21. The industry should make its own arrangements for summer storage in their premises only and to conclude agreements accordingly.
22. The industry has to pay the water charges for the estimated quantity in advance as the start of the financial year i.e. before 10th April every year as per BSO.
23. Under no circumstances, the consumptive utilization should exceed the quantum of water allotted by the Government.
24. The proposed drawl for this plant should not affect Lower riparian rights (LRR) and Upper riparian rights (URR) in any manner.
25. The Department is no way responsible for any damages that may occur to the off take point due to floods in Krishna River or on an account of any other reasons.
26. The permission does not confer any riparian right to the industry.
27. Non-Adherence to any of the above conditions by the industry will entail cancellation of the permission.

Contd.P3

28. The firm has to produce the relevant records for Departmental verification at the end of each quarter periodically.

3. After careful examination of the matter, Government hereby accord renewal permission to M/s KCP Limited, Cement Production Unit-II, Mukthyala village, Jaggaiahpet Mandal, NTR District for drawl of 7000KL/day or 0.0902 TMC water per Annum from Krishna River Mukthyala Village for Industrial purpose for a further period of 05 years from the date of expiry i.e. with effect from 24-11-2023 to 23-11-2028, subject to the terms and conditions as mentioned at para-2 above.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer Krishna Delta System, Vijayawada and the Collector & District Magistrate of NTR District shall take necessary action accordingly.
